ALLIE BETH ALLMAN & ASSOCIATES

Make your move to Midway Hollow neighborhood

North of Love Field and Bachman Lake, Midway Hollow is considered an affordable alternative to the grander homes found just east in Preston Hollow.

Midway Hollow is no longer the secret it once was, however. New investment in recent years has transformed this heart-of-the-city neighborhood created in 1945 by legendary oilman Clint Murchison Sr.

Turn to the experts at Allie Beth Allman & Associates to help you and your family find your dream home.

Here are three residences that are available and two that recently sold.

The four-bedroom home at 3983 Cortez Drive was fully remodeled in 2021. Offered by Mary Crawford, it has an 8-foot iron-and-glass entry door that leads to an interior with high ceilings and floor-to-ceiling windows. The well-equipped kitchen features high-end

cabinetry, a Forno refrigerator and a ZLINE Autograph dual-fuel range. This home is designed for entertaining, with a 131-bottle, three-zone wine cooler and a covered patio and deck.

Talk to Sitara Richard about the four-bedroom home that Nova Builds constructed at 3725 Bolivar Drive. The residence features 22-foot ceilings that allows for an abundance of natural light and a kitchen with Wolf and Sub-Zero appliances and a hidden prep kitchen. The double-story office offers an iron staircase and custom cabinetry. The primary suite bedroom includes a spa-inspired bathroom with a tub, walk-in shower and closet with built-in drawers. The media room provides the latest speakers. Keep your pet clean with a first-floor dog shower.

If you are looking for a downstairs primary suite, ask Catherine Osborne

about the five-bedroom home at 3811 Valley Ridge Road. This updated residence has an open floor plan that combines the living and dining rooms and the kitchen. The primary suite includes a bathroom with a tub, a separate shower and a walk-in closet that connects to the downstairs utility room. The backyard has a covered patio with a kitchen and room for a pool.

Mary Crawford also recently sold the three-bedroom home at 4120 Brunswick Drive, which was renovated last year. Jean Bateman brought the new owners.

Terri Cox sold the four-bedroom home at 9703 Lakemont Drive, which was built by Thomas Cusick Custom Homes on a corner lot.
